General Terms & Conditions

Logistics Service Provider (Vendor/LSP) should be a Company incorporated under the Companies Act, 1956, having its registration with Income Tax, Service Tax & Other Legal entities as per government laws. Vendor should be engaged in the business of providing Logistics Services. Micromax (Company) is desirous of availing services of the Vendor for handling of Air Shipments & containerized cargo at its manufacturing facilities mentioned hereinafter and the Vendor agrees to provide services more specifically mentioned hereinafter to the Company on the terms and conditions contained in this special contract & its Annexure(s).

1. Applicability This e-bidding shall cover all the affiliates/divisions of the Company.
2. Security The Vendor shall be fully responsible for security of the goods entrusted to it by the Company. The security of the goods shall be of PRIME importance and Vendor has to ensure that: Vendor's security policy is well defined & properly documented (i.e.ISO). Vendor must have proper IT, Personnel & Material Security Plan. The Company can, at any time, inspect and audit the Security Procedures followed by the Vendor.
3. Vendor's Responsibility The Vendor shall be responsible for any loss and / or damage caused to the goods handed over to the Vendor for carriage and issue clear Consignment Notes/AWB/Bill of Lading. The Vendor shall take adequate precautions to ensure that goods are handled carefully and make good the loss and / or expenses, if any, incurred in respect thereof. Without the written authorization of the Company, the Vendor shall not retain or detain its goods, for any reason whatsoever. Without the prior written permission of the Company, the Vendor shall not, for any reason whatsoever, sell or dispose of the goods of the Company. The Vendor shall solely be responsible for satisfactory & safe delivery of the goods lifted by it along with all related documents, at the delivery point. It will also be responsible for protection of goods in transit against weather damages and/or any hazard breakages / damages/ theft etc. The Vendor shall adhere to all safety norms in order to avoid any mishap during Loading /Unloading and act with due care and vigilance. It shall be completely responsible for the safety of the goods in transit. The Vendor shall keep the Company informed about the status of the goods through appropriate means. In the event of damages to the goods in transit,

I have read this Agreement and agree to the terms & conditions. ☒
